

TRIPLE CREEK PUPPIES

We have a litter of eight beautiful puppies born on 5/12/26: 5 males and 3 females.

The dam is our Candy (CH Triple Creek Cotton Candy), and the sire is Clint (CH Willowcreek's Touched By An Angel).

The pups had their dewclaws removed, have been microchipped, and will have their hearing BAER certified, and will be wormed and vaccinated on schedule before they go to their new homes.

We will be posting new photos of the pups by every Sunday evening so that you can watch the pups grow! Here are the pups on 6/7/26 at almost four weeks old. They are growing like weeds, and more orange coloring is showing up on their ears, faces, and tummies.

Since these pups were born close to Mother's Day, the names under their photos are temporary Mother's Day flower-themed names until their new owners pick their own names.

Daisy (female)

Lily (female)

Marigold (female)

Poppy (male)

Bud (male)

Aster (male)

Cosmos (male)

Sweet William (male)
